#### *Queequeg*

"It was quite plain that he must be some abominable savage, but Queequeg was a creature in a transitory state - neither caterpillar nor butterfly."

#### *Father Mapple*

"This ended, in prolonged solemn tones, like the continual tolling of a bell in a ship that is foundering at sea in a fog - in such tones he commenced reading the following hymn; but changing his manner towards the concluding stanza, burst forth with a pealing exultation of joy."

#### *The White Whale*

"Moby Dick seemed combinedly possessed by all the angels that fell from heaven. The birds!-the birds! They mark the spot."
